

Product Category

52T-2-S

Part Description

Socket Braze Pipe

## DIMENSIONS

|                 |                |
|-----------------|----------------|
| <b>A</b>        | 1.250          |
| <b>B-THREAD</b> | 1.375" - 12UNF |
| <b>C</b>        | 0.44           |
| <b>D</b>        | 0.678          |
| <b>E</b>        | 0.47           |

## GENERAL

|                             |                         |
|-----------------------------|-------------------------|
| <b>Pressure Rating</b>      | 6000 PSI                |
| <b>Threadpiece Material</b> | Carbon Steel, ASTM A108 |
