

Product Category

52T-7-CUNI

Part Description

Socket Braze Pipe

## DIMENSIONS

|                 |                |
|-----------------|----------------|
| <b>A</b>        | 2.310          |
| <b>B-THREAD</b> | 3.063" - 12UNS |
| <b>C</b>        | 1.38           |
| <b>D</b>        | 1.903          |
| <b>E</b>        | 1.06           |

## GENERAL

|                             |  |
|-----------------------------|--|
| <b>Pressure Rating</b>      | 3000 PSI                                       |
| <b>Threadpiece Material</b> | Copper Nickel 70/30, MIL-C--15726F, UNS C71500 |
