

Product Category

53R-7-SS316L

Part Description

Female Pipe Thread

## DIMENSIONS

|          |               |
|----------|---------------|
| A        | 1.750         |
| B        | 2.94          |
| C        | 1.38          |
| D-THREAD | 1.500" - 11.5 |

## GENERAL

|                    |  |
|--------------------|--|
| Pressure Rating    | 2500 PSI   |
| Tailpiece Material | 316/L Stainless Steel, ASTM A276, UNS S31600/03    |
| O-Ring Material    | Viton® Fluorocarbon Type 1, Class 2 (90 durometer) |
