

Product Category  
Part Description

H847-06-BR  
Direct Socketweld/Braze Coupling (Tube)

## DIMENSIONS

|   |       |
|---|-------|
| A | 0.380 |
| C | 0.56  |
| D | 0.250 |

## GENERAL

|                  |                                   |
|------------------|-----------------------------------|
| Pressure Rating  | 4500 PSI                          |
| Fitting Material | Naval Brass, ASTM B21, UNS C46400 |
